

ILLINOIS SENATE **REPUBLICAN** CAUCUS

November 10, 2022

We believe the completion of this election cycle affords our Senate Republican Caucus the opportunity to look to the future and chart a new course as we address the important issues facing Illinois families.

It is with that desire to keep our caucus moving forward that we are today announcing our support for Senator John Curran to serve as our new Senate Republican Leader in the 103rd General Assembly.

We are grateful to Senator Dan McConchie for his stewardship these past two years as Senate Republican Leader. His passion and commitment to public service will continue to make him a valued member of the Senate Republican Caucus.

Illinois needs forward-looking leaders who will help us navigate the challenges that lie ahead. Senator John Curran is that Leader and we look forward to working with him towards a better future for the people of Illinois.

It is our hope that everyone keeps this matter within the privacy of the caucus.

Sincerely,

John Curran
