Lol that American Wars class he's in has been my favorite elective I've ever taught. It's been a fun class

You class is saying that they're done with all their assignments. Can you check and see?

Ask them to show you

Ok. What was assigned?

Should have 15 slide presentation and 3 discussion question answers

Liked "Should have 15 slide presentation and 3 discussion..."

They are making the slides so I highly doubt they are done well

Gotcha

Nobody has the slides turned in

Just checked

2/23/23, 11:20 AM

Could you provide a list of students who are not done with their assignments per class tonight?

2/23/23, 1:43 PM

Sorry I've busy. I doubt I'll have time to go through everyone. World History has 4 things to get done. They should have 6 pictures and descriptions of real world vs perfect world facism, communism, and democracy, 7 questions from their notes, a reading with questions about facism, and 10-12 events from a timeline they need to summarize.

You're good. That information helps
